## Who We Are

At RQC Construction LTD., we've been building spaces that transform lives for over 15 years. We're a construction and remodeling company with operations in Canada and Mexico, specializing in residential and commercial projects of all sizes.

Our team is made up of certified professionals in multiple disciplines: general construction, architectural design, civil engineering, plumbing, electricity, and high-end finishes.

Our commitment is to deliver impeccable results, from the first line of the plan to the last coat of paint. We specialize in customized, efficient, and 100% legal projects. We believe in quality, commitment, and excellence in every detail.

### Mission

At RQC Construction LTD., we are dedicated to providing comprehensive solutions for the construction and remodeling of residential and commercial properties in Canada and Mexico. With over 15 years of experience, we provide a comprehensive service covering all stages of the construction process.

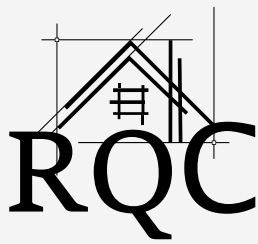

Our commitment, punctuality, and loyalty are the foundation of long-lasting relationships with our clients, exceeding their expectations on every project.

### Vision

At RQC Construction LTD., we aspire to be a leading construction company in North America, recognized for our excellence, responsibility, and commitment to quality in every project. We seek to expand our presence in new regions, strengthening our ability to offer comprehensive and personalized services that transform spaces and improve our clients' quality of life.

We envision ourselves leading projects that inspire confidence and are synonymous with quality, always guaranteeing impeccable, move-in-ready delivery, with a focus on sustainability, safety, and respect for the environment.

CONSTRUCTION LTD

### Our Values

#### Commitment

We commit to each project as if it were unique, meeting established deadlines.

#### Quality

We use top-quality materials and the best tools on the market.

#### Punctuality

We value our clients' time, ensuring that deadlines are met.

#### Loyalty

We believe in lasting relationships based on trust and mutual respect.

#### Security

Priority in every project, protecting collaborators and clients.

#### Innovation

We remain at the forefront of construction techniques.

#### Sustainability

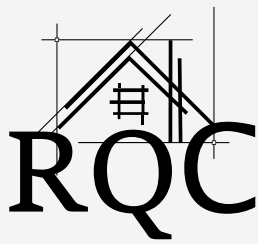

We build responsibly, minimizing environmental impact.

#### Personalized Attention

Each client is unique, we provide a close and personalized service.

CONSTRUCTION LTD

CONSTRUCTION LTD

## Detailed Professional Services

We offer comprehensive services for residential and commercial projects, covering all stages of the construction process.

### CONTROLLED DEMOLITION

We prepare the area for safe and efficient construction.

- ✓ Manual or mechanical removal of existing structures
- ✓ Separation and collection of reusable materials
- ✓ Initial post-demolition cleanup
- ✓ Precise cut to leave the space ready

### DESIGN AND LAYOUT

We mark the structural plan on the existing ground or floor.

- ✓ Measurement and marking of critical points
- ✓ Layout of walls, doors and partitions
- ✓ Coordination with electrical/mechanical systems

### LIGHTWEIGHT STRUCTURE

Installation of interior structures for walls and partitions.

- ✓ Metal or wooden structure according to design
- ✓ Structural reinforcements for cabinets and doors
- ✓ Frames for standard or custom doors
- ✓ Straight or complex angled roofs

### THERMAL AND ACOUSTIC INSULATION

Installation of insulation systems for temperature and noise control.

- ✓ Fiberglass or mineral wool (batts)
- ✓ Spray foam or specialized acoustic insulation
- ✓ Installation between walls, ceilings and partitions
- ✓ Sealing of cavities or critical spaces

### DRYWALL INSTALLATION

Mounting of drywall or similar materials depending on the area.

- ✓ Standard ½" and ⅝" Drywall
- ✓ Fire and moisture resistant drywall
- ✓ Installation on flat or sloped roofs
- ✓ Cutouts for switches, ducts and windows

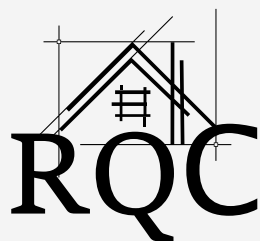

### Taping and joint finishing

Processes to leave walls and ceilings ready for painting.

- ✓ Paper or mesh tape on joints
- ✓ Application of 3 layers of compound
- ✓ Installing corner beads and tearaways
- ✓ Finishes for arches and curved edges

## Detailed Professional Services

We offer comprehensive services for residential and commercial projects, covering all stages of the construction process.

### PAINTING AND FINISHES

Professional application of paints and coatings.

- ✓ Application of primer and two coats of paint
- ✓ Painting doors, frames and moldings
- ✓ Use of roller, brush or airless equipment
- ✓ Matte, satin or semi-gloss finishes

### FINAL CLEANING OF CONSTRUCTION

Deep cleaning of the area for delivery to the customer.

- ✓ Sweeping, vacuuming and dusting
- ✓ Cleaning windows, frames and doors
- ✓ Collection of debris and waste
- ✓ Delivery of the space ready to live in

## Approximate Price List (CAD)

All prices are in Canadian dollars (CAD) and do not include HST (15%). The final price may vary depending on the specifics of the project. A personalized, detailed quote is available.

SERVICE	PRICE PER HOUR (WITHOUT HST)	PRICE PER SQUARE FOOT (WITHOUT HST)	DETAILS
Design and Layout	\$50.00	-	Detailed project planning
Structure / Framing	\$52.00	\$7.50	Metal or wooden structure
Insulation	\$48.00	\$2.80	Thermal and acoustic
Drywall Installation	\$50.00	\$2.70	Includes cuts and assembly
Taping and Joint Finishing	\$55.00	\$1.75	Professional finish
Sanding	\$45.00	\$0.40	Preparation for painting
Paint (primer + 2 coats)	\$55.00	\$6.50	Doors: \$50-\$80/unit
Controlled Demolition	\$48.00	\$0.75	Includes debris removal
Final Cleaning of Construction	\$44.00	\$0.45	Ready to move in

At RQC Construction LTD., we understand that every project is unique. Therefore, although the prices presented have been carefully adjusted to the current St. John's, Newfoundland market, we are always willing to maintain an open and professional dialogue with our clients.

CONSTRUCTION LTD

## What our customers say

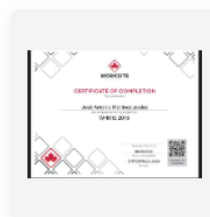

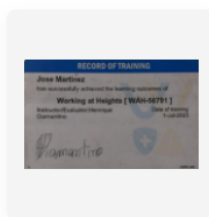

“RQC Construction transformed our kitchen into a modern and functional space. The work was flawless and they finished ahead of schedule. Their attention to detail and professionalism left us completely satisfied.”

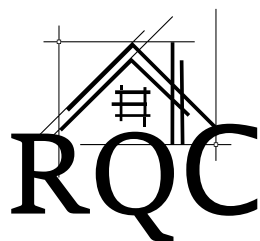

**Maria Rodriguez**  
Toronto, Canada

## Certifications and legal compliance

We comply with all local and federal building regulations in Canada and Mexico. We maintain active licenses, liability insurance, and current permits to ensure that each project is completed legally and safely.
